

# Dykes Hall Medical Centre

## Patient and Public Involvement

We are looking to recruit more members to our Patient Participation Group.

Patient Participation Group (PPG) refers to patients, such as you, who are taking an active interest in healthcare. It gives you the opportunity to have a say in how services are planned, developed and evaluated, by development a good working relationship with the practice staff and doctors.

We need patients who have a voice and would be willing to give feedback and ideas to better our service to our patients. This can be done by e-mail or by attending an occasional meeting at the surgery.

If you are interested please complete and return the application form to reception.

*Please note that these groups are **NOT** intended for individual patient's personal medical problems.*

The Practice will ensure that member's details are held securely and not used for any other purpose than described in this leaflet
